TORMEAD

CANDIDATE BRIEF

PE Teacher – Netball Specialist (maternity cover)

Required September 2019

Tormead is an interdenominational, academically selective, independent day school for girls. There are c.740 girls aged 4-18. It is a member of the Girls' Schools Association (GSA).

The School, founded in 1905, stands in grounds close to the centre of Guildford. The Senior School caters for girls aged eleven to eighteen and the Junior School, organised as a largely self-contained unit on an adjacent site, provides for girls aged four to eleven. Almost all girls in the Junior School gain admission to the Senior School at the age of eleven. More than half of eleven year old entrants are drawn from many other schools, both independent and maintained sectors.

The School has completed a major redevelopment of classrooms and dining hall; specialist accommodation includes a range of Science and Technology rooms, a Sports Hall and Gymnasium and a Performing Arts Centre for music and drama. Tennis and netball courts on site are supplemented by our Surrey Sports Park partnership which enables us to use state of the art sports facilities.

Further information about the School may be obtained from the School's website at
www.tormeadschool.org.uk

JOB DESCRIPTION

The Physical Education Department:

The current Physical Education Department includes five full time and four part time teachers, supported by a strong team of specialist coaches.

Physical Education is a crucial part of the curriculum at Tormead, with netball, hockey gymnastics, cross-country, athletics and swimming as our major extra-curricular sports. Many of our girls compete at county, regional and national level, and some at international level. We aim to find and develop the individual strengths of all our pupils, and our 'sport for all' philosophy aims to encourage all girls to participate in and enjoy sport at all levels.

Physical Education Programme:

The Physical Education programme is designed to develop pupils' fitness and skill and to introduce them to a range of major and minor sports. In addition to timetabled Physical Education and games extra-curricular sport includes hockey, netball, gymnastics, swimming, cross-country, athletics, tennis, dance and cheerleading. We are very fortunate to be in partnership with SSP (Surrey Sports Park, the University of Surrey's outstanding sports facilities) where we train and host all home hockey fixtures.

JOB DESCRIPTION

The Ideal Candidate will be a netball specialist, committed wholly to excellence and to broad participation of sport across all year groups. In addition, he/she will be able to make a strong contribution to the PE academic curriculum. This is an exciting opportunity for an experienced teacher.

The Post: This is a full-time post to cover maternity commencing September 2019.

Remuneration: Tormead Teaching Scale according to qualifications and experience.

Applications: (by email or by post) should reach Liz Vinall, HR & Payroll Officer at recruitment@tormeadschool.org.uk by midday Wednesday 1 May 2019. Early applications are encouraged, interviews will be arranged on receipt of application. Applications should consist of the following documents – all of which can be downloaded from the website www.tormeadschool.org.uk/vacancies

- A letter of application
- The completed application form
- The completed Equal Opportunities Monitoring Form
- A CV – this is optional but may be included if you wish to complement the above

All applications will be acknowledged. Interviews will be arranged on receipt of application.

Tormead School is committed to the safeguarding and welfare of its pupils and all staff must share this commitment. Applicants must be willing to undergo an enhanced DBS check and other Child Protection screening including checks with past employers. The post holder must adhere to the School's Child Protection Policy at all times including attending mandatory training every three years.
