

# TORMEAD

## **ADMISSIONS POLICY**

*This whole school policy also applies to the Early Years Foundation Stage*

### **Introduction**

Tormead is an independent, selective day school for girls, with around 750 pupils between the ages of 4 and 18. The main points of entry are at the ages of four (Reception), seven (Year 3), eleven (Year 7) and sixteen (Sixth Form). However, places occasionally become available in other year groups and we are pleased to consider applications at any stage. We aim to offer places to sisters of current pupils wherever possible, but we are looking above all for potential and for pupils who will thrive and be happy in Tormead's stimulating environment.

### **Other Policies**

This policy should be read in conjunction with Tormead's:

- Accessibility Policy
- Behaviour Policy
- Equal Opportunities Policy
- SEND Policy

### **Registrar**

The admissions process is managed by the Registrar, Mrs Cherry Scott, who can be contacted at [registrar@tormeadschool.org.uk](mailto:registrar@tormeadschool.org.uk) or on 01483 796040.

### **Visiting Tormead**

Open Mornings are held throughout the year in both the Junior and Senior School. Visits at other times can be arranged with the Registrar.

### **Registration**

The closing date for registration is 31<sup>st</sup> October. To register your daughter, you will need to complete a registration form, available on the website, in our prospectus pack, or by contacting the Registrar. Once registered, prospective pupils for the Junior School and Year 7 are invited to an Activity Day which takes place in the second half of the Autumn Term.

### **Transfer From Junior School**

It is usual for Tormead Junior School pupils to transfer to the Senior School unless there are concerns about progress. In such cases, discussions will have taken place with parents, enabling them to make alternative arrangements for their daughter's secondary education. Tormead Junior School pupils sit the entrance examination on the main assessment day in early January.

### **Assessment**

As an academically selective school, Tormead offers places based on the results of the tests and/or interviews as detailed below, along with a reference from the pupil's current school if applicable.

#### Reception (4+)

Assessment for Reception takes place in November. The girls are observed by several members of staff as they do simple tasks and interact with each other. This assessment takes an hour.

#### Year 3 (7+)

Assessments take place in early January. These involve testing in Mathematics, English and Reasoning. There are several parts to the tests, such as story writing, reading, spelling etc. The girls will be with us all day.

#### Year 7 (11+)

Assessments take place over the course of a morning in early January. These involve testing in Mathematics, English and Reasoning. Candidates are not interviewed but references and/or reports are obtained from each pupil's current school.

### Sixth Form (16+)

Places in the Sixth Form are offered conditionally on the basis of predicted GCSE grades and an interview, conducted in November/December for entry the following September. Sixth Form applicants are normally required to have a minimum of 8 GCSEs with 5 at grade A or above, with an A grade recommended for those subjects to be studied in Sixth Form, although cases will be assessed on an individual basis and certain departments require an A\*.

### **Reports From Current Schools**

Once we receive parental permission to do so, we contact your daughter's current school to request a brief confidential report on her academic and other achievements. A similar request is made to nurseries and play groups for children joining the Reception Class.

### **SEND**

Parents of all prospective girls are encouraged to give full details of the nature and effect of any disability affecting their daughter in order to enable the School to consider any adjustments it might need to make.

In assessing any girl or prospective girl the School may take such advice and require such assessments as it regards as appropriate. Subject to this, the School will be sensitive to any requests for confidentiality. Some adjustments can and will be made, such as seating a girl with a known hearing or visual impairment at the front of the class during the entrance examinations.

Given the academically selective nature of the School, no adjustment will be made to the minimum overall academic standard required of all girls, but individual reports on SEND will be taken into account when assessing performance in the examinations.

### **Acceptance**

Parents are asked, on acceptance of a place, to sign that they agree to conform to the Terms and Conditions. A copy of the Terms and Conditions is sent when a place is offered.

### **Transition**

We recognise that the transition between schools can be a period of challenge for a number of our girls and have systems in place to ease this process and minimise any sense of upheaval. Please see our Behaviour Policy for further details.

### **Scholarships**

All scholarships are reviewed annually and are tenable for the whole of a girl's time at Tormead, subject to our satisfaction with her overall effort and attitude towards her studies. Award-holders are expected to remain at Tormead until they have completed their A Level examinations.

### Year 7 (11+)

At 11+ (Year 7) we offer Academic, Music, Art and Sport Scholarships worth 10% of tuition fees. Scholarship application forms are sent following the deadline for registration.

- **Academic**

Candidates are assessed for Academic Scholarships on the basis of their performance in the entrance examination. All candidates are therefore automatically considered and there are no separate scholarship papers. Academic scholars are expected to attend Clayton Society events including half-termly meetings and the annual lecture and dinner; Beacon enrichment sessions; and termly informal meetings with the Headmistress.

- Art

In order to be considered for an Art Scholarship, candidates must submit a collection of their recent artwork and/or a selection of their sketchbooks on the day of the entrance examination. Interviews for short-listed candidates, which include a one-hour drawing test, normally take place on the Saturday following the entrance examination. Art Scholars are expected to study Art at GCSE level and attend Art Scholars' Club.

- Music

In order to be considered for a Music Scholarship, candidates should be approximately Grade 4/5 standard on their principal instrument and show evidence of attainment on a second instrument. Auditions will normally be held on the Saturday following the entrance examination. Candidates will be expected to perform two contrasting pieces of music on their principal instrument and one piece on their second. There will be aural and sight reading tests, together with a short interview. Evidence of composition, whether played or written down, may be an advantage.

In addition to the reduction in fees, Music Scholarships cover the cost of tuition for one instrument, provided that tuition is taken at Tormead. Scholars are also encouraged to participate in our Endangered Instruments Scheme: Music Scholars who are currently learning, or who wish to choose to start lessons on, oboe, bassoon, French horn, double bass or trombone will have the cost of these lessons covered, where the lessons are taken in Tormead. Music Scholars are expected to study Music at GCSE level and contribute wholeheartedly to at least three extra-curricular music groups in the school.

A Music Exhibition may also be awarded. There is no reduction in school fees, but an Exhibition does cover the cost of instrument tuition provided that the tuition takes place at school.

- Sport

In order to be considered for a Sport Scholarship, candidates must submit their sporting CV. Short-listed candidates are invited to attend an assessment day which normally takes place on the Saturday following the entrance examination. Sport Scholars are expected to participate in the Elite Athletes programme and contribute wholeheartedly to the sporting life of the School.

### Sixth Form (16+)

In the Sixth Form we offer Academic, Music, Art and Sport Scholarships worth 10% of tuition fees. The application deadline for Sixth Form Scholarships for external candidates is 31 October in the year proceeding entry in September; no late applications are accepted.

- Academic

Candidates are assessed for Academic Scholarships on the basis of their performance in the scholarship examination and interview. Academic scholars are expected to attend Clayton Society events including half-termly meetings and the annual lecture and dinner; Beacon enrichment sessions; and termly informal meetings with the Headmistress.

- Art

In order to be considered for an Art Scholarship, candidates must submit a collection of one year's work and a selection of their sketchbooks, a discussion of which will form the basis of their interview. Art Scholars are expected to study Art at A level and contribute wholeheartedly to the department..

- Music

In order to be considered for a Music Scholarship, candidates should be approximately Grade 6/7 standard on their principal instrument and show evidence of attainment on a second instrument. Candidates will be expected to perform two contrasting pieces of music on their principal instrument and one piece on their second. There will be aural and sight

reading tests, together with a short interview. Evidence of composition, whether played or written down, may be an advantage.

In addition to the reduction in fees, Music Scholarships cover the cost of tuition for one instrument, provided that tuition is taken at Tormead. Scholars are also encouraged to participate in our Endangered Instruments Scheme: Music Scholars who are currently learning, or who wish to choose to start lessons on, oboe, bassoon, French horn, double bass or trombone will have the cost of these lessons covered, where the lessons are taken in Tormead. Music Scholars are expected to contribute wholeheartedly to at least three extra-curricular music groups in the school.

A Music Exhibition may also be awarded. There is no reduction in school fees, but an Exhibition does cover the cost of instrument tuition provided that the tuition takes place at school.

### **Entrance Bursaries**

The Governors of Tormead are committed to broadening access to the school by offering to eligible parents/guardians means-tested financial support with the payment of school fees.

Entrance bursaries are for new applicants to the school at 11+ and 16+, where parents/guardians are unable to fund the tuition fees. They may be awarded in the form of a discount of up to 100% on tuition fees payable and assistance with extras and will include school uniform and residential trips, depending on the financial, compassionate or other pertinent circumstances of applicants. In some cases, assistance with lunches and transport to/from school will also be available.

There are a limited number of Entrance Bursaries available each year; interest must be registered before an application can be made. Deadlines for these, as well as further information regarding bursaries, can be found on our website: [Guidance and Application Process for Entrance Bursaries](#).
