

TORMEAD

SUPERVISION OF PUPILS POLICY

This whole school policy also applies to the Early Years Foundation Stage

Introduction

The Governing Body and the Head are required to ensure, as far as is practical, that pupils are properly supervised through appropriate deployment of school staff throughout the school day to ensure their health, safety and welfare, and that emergencies can be dealt with promptly while leaving adequate staffing to supervise unaffected children. All staff at Tormead have a duty of care to all pupils in the School. It is their responsibility to ensure that high standards of behaviour and discipline are maintained throughout the time that girls are present on the school grounds, as well as during activities either on or off the site. It is the Head's responsibility to ensure that there is effective supervision of the school buildings, and that the site is secure.

Supervision During the School Day: Early Years – Reception

Supervisory Ratios

The staffing ratios for girls in the Reception class comply with the requirements outlined in the Early Years Foundation Stage (EYFS) Statutory Framework:

- when an instructor or a person with Qualified Teacher Status (QTS) is present, the ratio of staff to pupils will not exceed 1:30.
- when a person with QTS is not present, the ratio of staff to pupils will not exceed 1:8, with at least one member of staff holding a full and relevant level 3 qualification and at least half of all other staff holding a full and relevant level 2 qualification.
- at least one person holding a current paediatric first aid (PFA) qualification is on the School premises at all times when Reception children are present i.e. 7.30am to 6.00pm.

All Tormead teachers working with the Reception class hold QTS. Tormead teaching assistants working with the Reception class should hold, or be working towards, full and relevant level 3 qualifications. Those who have not yet gained such qualifications will not be permitted to act in a supervisory role with the Reception class unless a person with QTS is also present.
