iPad Information, Prep School New Joiners, Years 5 & 6, September 2021

Dear Parents

Below is the specification information for the iPad package required by girls joining Tormead Prep School, Years 5 or 6, in September 2022.

Please click [here](#) **by 7 June** to indicate you have read this letter, and to choose your writing implement. If you have more than one daughter joining Tormead Prep School, please complete a form for each daughter.

iPad Specifications

Model: **9th generation iPad**

Storage: **64GB**

Connectivity: **WiFi only** (no 4G)

Colour: **Space Grey** (subject to availability of stock, we may substitute for alternate colours)

Accessories & Sundry Items

Protective case: **Logitech Combo Rugged 3** with built-in spill-proof keyboard

Accidental damage cover: **3-years** including the protective case, with no claims excess

Total Cost: **£488.20**

Writing Implement*

An electronic stylus can be useful for note taking, and fun for sketching; however, these are not required at Tormead Prep. Your daughter will not be missing out on any learning opportunities if she does not have one.

Choose between:

- **Stylus pen 2nd generation** - generic electronic stylus suitable for writing notes - **£30**
- **Apple Pencil 1st generation** - highly accurate, pressure sensitive device suitable for writing notes and budding young artists' sketches - **£85**
- **None/Bring your own stylus** - An electronic stylus is not required for Prep School. However, your daughter may bring one of her own if you wish. **£0**

*Please note: the writing implement is not covered by the accidental damage cover.

Yours faithfully

Ringo Dhansay
Network Manager
