Welcome

Firstly, may I offer a warm welcome to Tormead Prep School, a centre of academic and pastoral excellence. Tormead's values have always aligned with my own vision of an outstanding school, where pupils' social and emotional development, and wellbeing, are as highly valued as excellent academic attainment. Here we provide a progressive learning environment, ensuring a successful learner directive. The nurturing of confident, courageous and curious learners is essential to the vision of our school. We instil an ethos of inspiration to ignite the flames of leadership and ambition in our pupils.

I look forward to meeting you where there will be an opportunity to discuss this next exciting chapter in your daughter's life as she becomes a part of the Tormead Prep Family.

With very best wishes

Nicki Fry

Breakfast Club

School is open from 7.30am every day if your daughter wishes to attend Breakfast Club in the Senior School atrium. Our Early Years staff provide a warm welcome and a healthy choice of food is available.

Breakfast Club is bookable in advance via the Parent Portal. A small charge is payable per day for this service.

After Care

We appreciate that parents cannot always pick up their children at the end of the school day. Supervised After Care is available every day until 6.00pm.

Pupils in Reception and Year 1 who are not picked up at the usual time at the end of the day will, under staff supervision, be escorted to the Prep School library. There is a good supply of activities and games which are appropriate for all age groups. Please supply water and a piece of fruit should you feel it necessary.

If a pupil is not picked up from school at the end of the school day, they will automatically go to After Care. If circumstances arise which delay your arrival at the school, please ring or email the school during the day to alert staff and ask them to inform your daughter. For siblings of Senior School pupils, we offer a prompt 4.00pm dismissal time from the black gate on Cranley Road.

Pupils may use After Care if they attend after school clubs or activities which do not start until after the end of their normal school day, e.g. a sports club session starting at 4.30pm. If these clubs take place in the Senior School and start immediately after the school day, pupils will be escorted to their activity by a member of staff.

Unfortunately, it is not possible for us to supervise pupils in the Senior School (across the road) at other times. If an activity takes place in the Senior School, you will need to collect your daughter from the Senior School after the activity.

Homework Club and Tormead Terrapins Club

All pupils staying at school will be supervised by staff until 4:30pm. From 3:40pm to 4.00pm, there will be time for a snack and break.

We offer a wide variety of co-curricular clubs in the Prep School, which are provided by our own staff and a range of external coaches. Sport

At Tormead Prep, we encourage every pupil to become fully involved in our Sports Programme and our aim is to offer each pupil opportunities to become actively involved in, and to enjoy, as wide a range of sports as possible during her time with us.

- All pupils have two Physical Education lessons per week which cover a wide range of Games, Gymnastics, Dance, Athletics and Summer Sports.
- Hockey is taught in curriculum lessons throughout the Spring Term and in the Autumn and Spring Terms in co-curricular clubs.
- Pupils in Years 1-6 have an additional lesson of swimming each week. Reception begin their weekly swimming lessons after October half term.

There is also a thriving system of inter-house sport, in which all pupils participate.

We also encourage your daughter to get involved with our co-curricular sports programme. We offer a wide range of co-curricular clubs throughout the Prep School. We believe that every pupil should have the opportunity to play sport in teams and to represent the school at a level appropriate to her ability. We, therefore, run development squads alongside our sports teams and arrange events and competitions to suit the needs of our pupils from Reception onwards.

Whilst every effort is made to ensure the scheduling allows all pupils to have the opportunity to take part in the full range of activities, due to limitation of space and/or teacher availability, a small number of 'clashes' exist. We hope that by giving you this information from the outset, it will allow you to consider the best combination of co-curricular activities for your daughter and will enable you, where necessary, to make the best choice of the available activities.

Music Technology (M:Tech)

M:Tech is an extracurricular music technology and creative composition course for children aged 7-13. They teach the fundamentals of music composition theory, with young learners composing soundtracks to fun and engaging multimedia projects like movie trailers and TV adverts.

After completing a term of lessons, learners will have created and completed their own unique piece of music to add to their growing M:Tech portfolio. This is sent home and certificates are awarded to mark their improvement and progress on the M:Tech course.

A digital download is emailed directly to parents and a certificate will be given out in assembly at the end of each term. This course is administered directly by M:Tech and so to register your child's interest, please sign up online at www.mtechonline.co.uk or contact Pia Gray or Rebecca McLaughlin on **01483 578114**.

Performances

There are performance opportunities for all pupils throughout the year, including:

- Pre-Prep Nativity
- Prep Carol Service

- M:Tech costs approximately £190 per term, with weekly sessions of 30 minutes.
- Pupils are taught in groups of eight with pupils working in pairs.
- Please note: M:Tech is not a club or an activity. It is a group instrumental lesson teaching creative composition with a clear graded learning curve, therefore, we apply the same Terms and Conditions as for instrumental lessons with notice required by half term in order to stop at the end of a term.

Drama

All Tormead Prep (and Pre-Prep) School pupils enjoy drama lessons within the curriculum. Lessons encourage pupils to be imaginative and to think and act creatively, to explore and to speak, listen and respond to each other. We are looking to develop the life-long skills of self-confidence, enquiry, empathy and collaboration. In curriculum drama, all the pupils can become involved in the process where they make decisions and shape their own work.

The pupils are also given the opportunity to be part of a performance/production with the following opportunities throughout the year groups:

Performances

- Prep Carol Service – readings
- Year 3 Play
- Year 4 Play
- Year 5 Open Drama lesson
- Year 6 Summer Production

Speech & Drama

Speech & Drama lessons are aimed at developing girls' confidence, communication and performance skills through small-group drama tuition.

The main focus of the lessons is preparation for graded exams (which are the drama equivalent to music grades) and performances in Performing Arts Festivals. Students take part in a range of fun drama activities that develop skills in acting, voice-work, posture, teamwork and self-expression, and build confidence for situations such as public speaking and interviews.

In Years 3-5, Speech & Drama is taught in small groups before or after school on Wednesdays or Thursdays. Year 6 have lessons in pairs during the school day on Wednesdays or Thursdays.

Speech & Drama is taught by Ms Rachel Stanton, an experienced drama teacher and formerly a professional actor and director. Ms Stanton is passionate about the benefits of drama in education. She aims to pass on her love of performance, theatre and literature to her students and to help them 'find their voice'.

Fees are payable termly in advance:

Years 3-5

30-minute group lessons @ £110 per term

Year 6

30-minute pairs lessons @ £150 per term

If you wish to discontinue Speech & Drama, please let Ms Stanton know by half term.

If you would like to register your daughter for Speech & Drama or if you have any questions, please contact Ms Stanton directly -

stanton.rachel@gmail.com

Chess

Co-curricular chess follows International Master Mike Basman's chess course, which is used in almost 200 schools throughout Surrey. There are three chess clubs for pupils in Year 2 and above, of any ability from complete beginners through to more advanced players.

Emma-Jane Billington-Phillips teaches all the chess classes and each Spring Term she enters every member into the 'Delancey Schools UK Chess Challenge', which is the largest chess tournament in the world. Everyone wins prizes in its first stage, with the top players qualifying for the county final - 'The Megafinal' - and from here they can go on to reach the regional final, 'The Gigafinal' and maybe even 'The Terafinal'.

- Fees are based on 30 lessons per year (average 10 per term) invoiced each term payable directly to the tutor on the first lesson of term.
- The fees will be approximately £97.50 for a term of group lessons.
- Please note a half term's notice of discontinuance is required in writing or a half term's fees will be charged.

Sign up online at **<https://chessentriesforall.com/school-chess-club-membership/tormead-school-chess-club/>** or email **admin@chessentriesforall.com**.

Minibridge

Minibridge lessons are available for pupils in Years 5 & 6 on a group basis.

We organise bridge competitions, coaching sessions and courses for children of all abilities. The pupils are entered into a Surrey Minibridge competition.

Bridge (and Minibridge) has been proven to be very good for the mind, teaches skills in numeracy, problem solving, team building and mental capacity and much more. Bridge is an excellent social game and can be played locally and nationally. Pupils will be able to play and teach their siblings, parents and grandparents, both at home and online, in a truly intergenerational fun activity.

Douglas Wright has been running Tormead Prep's after school Minibridge Club over the last four years. Douglas has taught bridge professionally in school clubs and holiday courses throughout Hampshire, Surrey and Sussex for 14 years. He teaches teachers 'How to Teach Bridge in Schools'. He has pupils who have continued to play in Sixth Form colleges and for their universities. Douglas is a Professional Member of the English Bridge Teachers' Association.

- Lessons are of 60 minutes' duration and take place on weekdays after school.
- Fees for Minibridge lessons are based on a 10-lesson term.
- The fees are approximately £80 for a term of group lessons.

Further details about Minibridge and registration are available at www.3countiesbridge.com.

Douglas Wright can be contacted on douglaswright@3countiesbridge.com.

Technology

Educational Tablet Devices

Tormead has embraced the use of tablet technology into teaching and learning, enabling pupils to become 21st century digital learners.

Pupils in both Pre-Prep and Prep use iPads to support and enhance their learning.

In Prep School, there are sets of iPads which are available for Pre-Prep through to Year 4 to use during the day.

To complement tablet learning, we have also developed a cloud-based Tormead Learning Hub, based upon G-Suite for Education (Google apps for schools). Available on the internet, pupils are now able to access their notes and learning resources, anywhere and everywhere: at home or at school.

Years 5 & 6

All pupils in Year 5 and 6 are required to have a school-supervised iPad as a compulsory part of their school equipment.

iPads for new pupils will need to be purchased through the school, with the cost added to your Autumn Term invoice. To facilitate this, the IT Department has worked closely with our preferred partner to provide an excellent deal on the perfect educational device. We would like to assure you that the school has sought the best price and does not profit from these sales in any way.

For further information or if you have any queries about iPad use, please contact the school's Network Manager, Mr Ringo Dhansay, on rdhansay@tormeadschool.org.uk

E-Safety

Pupils are expected to obey the guidelines in the **E-Safety and Acceptable Use of IT Policy (Prep School)**, as well as those in the **Pupils' Code of Conduct Policy (Prep School)**. Both of these policies are reviewed and signed by pupils in Years 3-6 during their first few weeks at Tormead. As a reminder, all school policies can be found on our school website.

Pupils should be reminded that all devices should be brought to school fully-charged. Although personal wall socket chargers must not be used in school, portable power banks for devices are allowed.

“Grounded girls who want to achieve”

Good Schools Guide, April 2022

Administration of Medicine

May we remind you of our policy for the administration of medicines:

- We require clear written and signed instructions being sent to school with any medicine.
- The instructions and medicine (in the original packaging) should be handed to the Prep School secretaries.
- The information for administration should be written in your daughter's Reading Record Book or planner. Alternatively, please send this information via email to **prep@tormeadschool.org.uk** or complete the administration of medicines form on the Parent Portal.

Without this information and permission, we will not be able to administer the medicine; it is imperative that we ensure we are administering the correct medicine and the correct dosage to your daughter.

Please ensure you complete the online Confidential Medical Information Form.

Photography

This is a reminder to parents that Tormead Prep School does, as is the custom and practice of most independent schools, include some photographs and images of current or past pupils in the school's promotional material, such as our prospectus, the website and advertising. This information was part of the Terms and Conditions to which you agreed when you signed the Acceptance Form. The school will also use photographs of pupils in newsletters and on social media. Events such as the nativity performances and school productions will be recorded.

Travel and Transport

Cycling

If your daughter cycles to school, we have bike racks to store bicycles safely at the Prep and Senior Schools.

Driving

Parents of Prep School pupils are welcome to use our drop off zone in the front of the Senior School. Your daughter needs to be ready to leave the car without any delay. A member of the Prep School staff will collect and escort children across to Prep School.

If you do not think your daughter is old enough to do this by herself, please do not use the drop off zone, or if you need to stop for any longer period then please do park away from the school.

Cranley Road, between the Prep and Senior Schools, is a strictly no parking or drop off area (aside from the designated bays). For the traffic to flow and our coaches not to block other vehicles, it is essential that the road is clear: any obstructions make this impossible.

Peak Hour Traffic

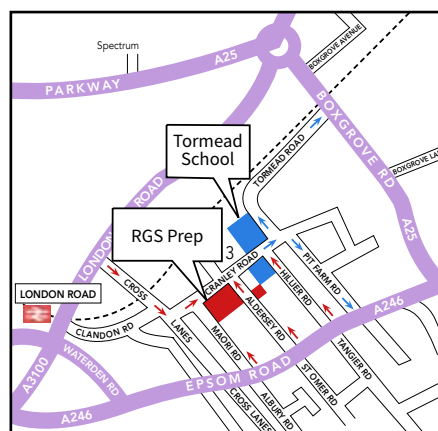

One-way route:

8.00-9.00am and 3.30-4.30pm

The roads around Tormead become very busy during pick up and drop off times and we rely on your support to ensure your children have a safe journey to and from school; it is for this reason both Tormead and RGS Prep ask their parents to follow a voluntary one-way route during these busy times of day.

Please approach Tormead via Cross Lanes, Aldersey Road or Hillier Road and leave via Tormead Road or Pit Farm Road.

There is no right turn out of the Senior School between 8.00-8.30am. **Please be considerate of our neighbours at all times.**

Coach Services

The Tormead Coach Service offers pupils and parents a convenient, safe, reliable and environmentally friendly means of transport to and from school. We currently operate eight routes, using well regarded local coach operators, transporting over 125 pupils each day. Areas covered include Camberley, Cobham, Esher, Ewhurst, Farnham, Haslemere, Peaslake, Weybridge and Woking. The service is open to pupils of all ages once they have settled into school life. Arrangements are in place to escort Prep pupils to and from their coaches.

Timetable

The latest route, timetable and fare information can be found on this link www.ridekura.com/tormead-school.

The cost of the service is divided evenly into three termly instalments and added to the school fees invoice. If you would like more information, please contact the **Coach Co-ordinator, Amy Drudge**, directly on **01483 575101** adrudge@tormeadschool.org.uk

Coach Passes

Each pupil is issued with a personalised coach pass and there are a range of pass options available, enabling pupils to take differing numbers of journeys each week. There are also sibling and study leave discounts. Demand for places can be high and we endeavour to accommodate all requests. However, where spaces are limited, priority will be given to those requiring full time tickets and those travelling the furthest. Our Terms and Conditions require a termly commitment from parents with a full term's notice in writing required to cancel a coach seat.

Online Booking

To reserve a place for your daughter(s) on the 2023-2024 coach service, please log in to the Tormead webpage of the Kura.com website: **www.ridekura.com/tormead-school**

School Uniform

Labelling

In order to minimise the number of uniform items lost throughout the school, we ask parents and pupils to ensure that everything is clearly labelled on the inside (including shoes and socks).

Schoolblazer (our uniform supplier) for your convenience offer to sew all of the name tapes in to the uniform free of charge.

Tormead Prep's Wildside (Woodlands Outdoor Learning)

Lessons in all subjects can take place throughout the year and we hope to inspire a generation of young horticulturists with a designated gardening area.

The WILDSIDE kit may be any colour, but must all be named, please. Your daughter will need:

- Waterproof jacket
- Waterproof trousers
- Wellies

Your school uniform and sportswear are now ready to order!

Frequently Asked Questions

How do I know what sizes to order?

We ask you to input your child's measurements and our Intelligent Sizing System will indicate the recommended size on the shopping page.

However, this is a suggestion only, based on the measurements you have entered. Should you wish to choose an alternative size, you can use the drop-down menu to select this.

What if I need to return an item?

We offer a free returns service so please return any item unsuitable using our online returns tool, and we will either refund or exchange as required.

Do I have to pay for name tapes?

We only charge for the cost of the name tapes and sew them in free of charge.

How long will my order take to be despatched?

We promise to despatch orders within 3 working days, and more swiftly than this wherever possible. FastTrack delivery also available.

I need an item that is showing as out of stock on the website, what should I do?

As an online retailer we typically hold much higher levels of stock than a high street store, but if an item you require is showing as out of stock, please place your order and we will work to supply this as quickly as possible.

What if I need further information or help with my order?

Our Schoolblazer website features lots of useful information including a How to Shop video and more Frequently Asked Questions. Alternatively you can call our Customer Services Team on 0333 7000 703 and they will be happy to help.

Welcome from the TPA

Welcome to Tormead!

The Tormead Parents' Association (TPA) is a welcoming group of school parents who actively support the school community. All new parents automatically become members of the Tormead Parents' Association (TPA) when their daughter joins Tormead.

We hope your daughter will be very happy here. We also hope that, as parents, you will get the most out of the Tormead experience.

The TPA holds monthly coffee mornings and parents are welcome to join.

We have Class Representatives from each class throughout the school. We are particularly interested to hear from any parents who would like to become involved.

Our main aim is to foster a sense of community at Tormead and organise social events, whilst raising funds for value-added items for the school. We run several whole school events that are widely supported, including the highlight of the year, the annual Cracker Fair in November. There is also a hotly contested Quiz in the Spring Term. Our Second Hand Uniform sales are always popular.

The Classlist portal and/or app are the TPA's main communication tools. To receive TPA news and access information, new parents should set up their Classlist profile, after they receive the welcome email from the TPA.
